

Classroom Wish List

Some of you are unable to help at school and are looking for other ways to contribute to our classroom. I have been asked to make a wish list of items we could use in our classroom. Purchasing from this list is completely optional! These items are things we typically would use as centers as well as items I usually purchase outside of classic school supplies. Thank you in advance for any donations you make to our class. Your generosity does not go unnoticed! The things on the list do not need to be new to be useful. Often time items may be things you have at home and no longer use, or things in dollar spots or yard sales.
